

At Andrews University undergraduate students will:

Seek Knowledge

1. Demonstrate competence in intellectual, affective, and practical skills to prepare for careers in the twenty-first century, lifelong learning and service.

Skills for undergraduate students are: information literacy, quantitative literacy, engaging diverse perspectives, ethical reasoning, analytical inquiry in the form of problem solving and creative thinking, communication, wellness and transferable life skills.

2. Pursue enduring questions through study in core fields and explore the connections between those fields.

Core fields for undergraduate programs are the Humanities, the Arts, the Natural Sciences, History, the Social Sciences, and Mathematics.

Affirm Faith

3. Articulate a biblical worldview to interpret life, learning, and civic responsibility from a Seventh-day Adventist perspective.

4. Examine and practice moral, intellectual, and theological virtues that reflect God's loving character.

Change the World

5. Apply concepts, knowledge, and skills of core fields and their chosen program to solve meaningful problems.

6. Address the needs of diverse communities in a manner consistent with Christian thought and practice.
